

BRYANSTON SCHOOL

Junior Scholarships for 2020 entry

Bryanston welcomes applications for a range of scholarships, reflecting the breadth of education on offer. Junior Scholarships are for pupils entering into the first year (Year D) at Bryanston. A significant number of scholarships are awarded each year. For all candidates applying for a scholarship, attendance at the school on the scholarship days is necessary. Consideration is given to performance on the day, reference from current school and interview and observations by teaching staff. Scholarships are worth up to 10% remission of school fees and may be enhanced by a means-tested bursary for families who are able to show that they would not otherwise be able to send their child to Bryanston. Full details of all scholarships can be found on the school website, along with details of how to apply for a bursary.
