

Day Sheet

The first and second rows indicate which members of the team are working on that day.

The morning are normally reserved for the team to carry out training and any jobs that need doing.

There is on occasion, the opportunity for students to ride in the morning. However, the lesson must be booked in advanced, with approval from your Tutor, Hsm and Sophie.

In the coaching columns in red will be the arena/ area that you will have your lesson in. if you are unsure where your lesson is, always check with a member of the team.

You will note that your name along with the horse that you will be riding is in one of the team members columns. The column that you are in denotes who will be coaching your lesson.

The timings in the first column will indicate the timing of your lesson. The only exception to this rule is if there is a **highlighted time** above your name. If so, this timing supersedes the timing in the first column. **Please note that this is the starting time of your lesson and to make the most of it you should always aim to be on your horses and at the arena 5 minutes BEFORE the start of your lesson.**

If your name is not on the list and you think that is should be, please email the team at equestriancentre@bryanston.co.uk at the earliest opportunity, so that we are able to help get the error resolved.

However, if you are unable to make your given lesson for any reason, you **MUST** email the team at the above email at your earliest opportunity. Failure to do so will result in you being charged for the missed lesson.
