It will then ask you to Submit your Artwork and click on the icons and fill in the details about each work, including dimensions, an image and a Price (if you are potentially willing to sell it). Please bear in mind it won't necessarily be available for purchase until the end of your course!

You can always click on 'Not For Sale'.

You can always go back and make changes later.

Also, the Images you use will also go in the catalogue so need to be good enough quality.

Where it states 'Additions for sale' leave it blank. This would apply to a Print for example where there might be multiples available.
