

## SENIOR SCHOOL ADMISSIONS PROCESS

Parents can register their child for Year 9 entry at any point ahead of Year 9, however our process ideally begins when pupils are in Year 6 to ensure their place is confirmed.

For those who are currently in Years 7 & 8, there is a slightly different process. Please see the summary of the journey below and key dates for the coming term.

**Group Visits:** Any families, regardless of the current year their child is in, can attend a Group Visit. These mornings include an individual tour of the school, an introduction to the school by the Head, Richard Jones, or a member of the Senior Leadership Team and an opportunity to speak to a number of teaching staff (Academic and Sport). To find out the available dates please contact [admissions@bryanston.co.uk](mailto:admissions@bryanston.co.uk) or call 01258 484 633.

**Year 5:** Pupils in Year 5 can register to attend our Discovery Day. This is an opportunity for parents to visit the school with their children and enjoy an afternoon of activities and discover what life at Bryanston could offer.

### Year 6 Admissions Process:

The admissions process for pupils in Year 6 is as follows:

Step 1: Registration and submit any supporting documentation. The registration fee is £300.

Step 2: We will request a Head's reference and CAT4 assessment scores (if they are used at the child's current school). If CAT4 testing is not part of their school's usual assessment process we will request if they can invigilate or arrange for the child to sit the assessment with us\*\*.

Step 3: The pupil will be invited to an Imagine Day. This has replaced the formal interview stage and is an interactive, fun day for the pupils.

Step 4: Offer of a place – once we have the above-mentioned information we are then in a position to offer the child a place for their Year 9 entry year.

Step 5: Parents complete the acceptance form and pay the acceptance and confirmation deposit (currently £2200)

Pupils are invited to attend Activities Day in their Year 7 & 8 Year – this is an opportunity for them to visit the school and spend time getting to know their future peers and our wonderful team ahead of joining us in Year 9. These days also help us get to know the pupils more, which informs our House and Tutor allocations.

\*\*Invigilation of the CAT4 Assessment can take place either their current school, a lawyer's office, or an educational agency.

### Year 7 Admissions Process:

Pupils in Year 7 can be included in the Year 6 Admissions process, depending on when they register. If they have missed the opportunity to attend an Imagine Day, we would arrange an interview with a member of our Academic team.

### Year 8 Admissions Process:

Pupils in Year 8 would follow Steps 1 & 2 but would be invited to attend an interview.
