Bryanston School Conditions of Carriage

Introduction

Bryanston School provides transport to and from School on a number of routes at the beginning and end of terms, half terms, the autumn term Exeats and some specific weekends.

Bryanston School also provides a daily bus service to and from School on several routes.

North Dorset Travel provide transport for the longer routes. North Dorset Travel have proved to be very reliable, and all drivers are Disclosure and Barring Service checked.

Coach Routes

North Dorset Travel must be pre-booked by 12 noon on the Wednesday prior to travel. If there is insufficient demand to make a journey viable then the school reserves the right to cancel the route for that day; notice will be given of such a cancellation no later than 48 hours before scheduled departure. If a booking has been confirmed and a child does not travel, then a surcharge of £20 in addition to the fare may be added to the school bill.

Reservations for North Dorset Travel can only be made on-line through the Bryanston website by clicking on this link. The booking form can only be submitted once all information is provided. Contact information for both pupils and parents/guardians is crucial to ensure that communication can be established should there be exceptional circumstances or changes. Either a confirmation email will be sent once the transport is booked, or an email will be sent at least 48 hours before departure should the route prove unviable. Confirmed passenger lists with all contact details are given to both North Dorset Travel and Houseparent.

Parents/guardians should be at the designated pick-up point 10 minutes before the scheduled departure time. If a pupil is not at the pick-up point 10 minutes before departure the school will make reasonable efforts to contact parents/guardians/pupils by telephone using the information provided at the time of on-line booking. If no contact can be established, then the bus will depart. If contact is established, then the school will make a judgement as to whether the coach waits and for how long. If transport is not where it should be 5 minutes before the scheduled pick-up time, contact should be made with the school immediately on 01258 452411.
